

2XIST STORMS LA FASHION WEEK WITH ROB BROWN AND VH1'S AMERICAN STORM

2xist men's underwear is heating up the LA Fashion Week scene by storming its way onto the runway. This is not a typical storm but more like a heat wave during a hot summer in Los Angeles. The cult celebrity collection will be debuting its Spring 2006 line in with eight hunks from VH1's hit show STRIPSEARCH. It's a match made in heaven as the "made for TV" hotties show off the latest and the best in men's underwear.
