

## FORECAST CALLS FOR HEAT

So you'd like to have the boy next door be a good-looking hunk who is ready to take his clothes off for you and show you a few unforgettable moves? OK, we have just the group for you, and they are called **American Storm** (RIVIERA, 702.794.9433). ¶

The six young men in this sexy male revue are the winners from last year's VH1 *Strip Search* contest, and they are heating up the Bistro Cabaret at the Riviera where they are pleasing their appreciative female audiences. ¶ Follow them on a seductive journey through time and they will show you how sexy

men were around during the days (and nights) of Christopher Columbus, then fast forward you to the *Saturday Night Fever* kind of men in the 1970s—and don't forget to include all those fabulous men in uniform. —PENNY LEVIN
